

INDEX MS52C

Kind : Cnc multispindle lathe
Manufacturer : INDEX
Model : MS52C
Year : 2011
Serial : M160179
Stock : 10248

TECHNICAL DETAILS

- Number of spindles	: 6 independent
- Bar clearance	: 52 [mm]
- Max. spindle speed	: 5000 [Rpm]
- Spindle power	: 29 [kW]
- Slide unit 1.1	: axes X and Z controlled by CN
- Slide unit 2.2	: axes X and Z controlled by CN
- Slide unit 3.1	: axes X and Z controlled by CN
- Slide unit 3.2	: axes X and Z controlled by CN
- Slide unit 4.1	: axes X and Z controlled by CN
- Slide unit 4.2	: axes X and Z controlled by CN
- Slide unit 5.1	: axes X and Z controlled by CN
- Slide unit 5.2	: axes X and Z controlled by CN
- Slide unit 6.2	: axis Z controlled by CN + SCARA axis
TRANSFORMATION X and Y	
- Supply	: TN 50 Hz, 400 [V]
- Weight	: 6000 [kg]
- Functioning hours	: 61 166 hours
- Production hours	: 14 585 hours

Kind : Cnc multispindle lathe

Manufacturer : INDEX

Model : MS52C

Year : 2011

Serial : M160179

Stock : 10248

EQUIPMENT

- Control INDEX C200-4D
- Filtration Knoll
- HP pump 40 bars/55l/mm
- Fire extinguisher Kraft & Bauer
- Robot Staubli TX90
- Coolant through tool
- 6 coolant through spindles
- Chip conveyor
- Isolation transformer
- Refrigerating unit
- Oil mist extractor Buchel
- Status lamp 3 colors
